Traveling salesmen must take their meals whenever and wherever they can get them. They bolt their food one minute and hustle to catch a train the next. Hasty meals and continual jolting in railroad trains bring on indigestion and dyspepsia. A druggist at Bridgeport, Conn., says he has long had quite a trade for Ripans Tabules among traveling men and it is becoming a practice with them to carry a supply in the grip. One of these men takes two a day and declares they have helped him a good deal. After an evening session with jack pots, tobacco and whiskey, nothing clears the head in the morning so early or so thoroughly as a Ripans Tabule taken just before going to bed, no matter how late the retiring hour may happen to be.

A new style packet containing TEN RIPANS TABULES in a paper carton (without glass) is now for sale at some drug stores—FOR FIVE CENTS. This low-priced sort is intended for the poor and the economical. One dozen of the five-cent cartons (120 tabules) can be had by mail by sending forty-eight cents to the RIPANS CHEMICAL COMPANY, No. 10 Spruce Street, New York—or a single carton (TEN TABULES) will be sent for five cents.

The genuine "Cravenette" cloths are stamped "Cravenette" on the back. In addition to this stamp, ready-made garments have the silk label, "Cravenette."

"Smith has considerable dry humor in him." "It ought to be It's old enough."
