HARDMAN, PECK & CO., MFRS.,
HARDMAN HALL,
FIFTH AVENUE AND 19TH STREET, NEW YORK.

Social obligations lead to the keeping of late hours. Dining is done at a time when the stomach should be at rest, and the food and drink are of a character so rich that digestive disorders are sure to follow. A brilliant and fashionable society woman of St. Louis recently said: "In consequence of late hours and late suppers I would often be possessed next day of that 'tired feeling' I have read so much about. Because I would not arise until late, my regular exercise was neglected, and I ate irregularly at home also. Eventually I developed a large sized case of indigestion, and, aside from the suffering it caused me, it rendered me, with my nervous temperament, exceedingly irritable. It was at my sister's suggestion that I tried Ripans Tabules, but they accomplished all I could have wished; and now, whenever I am feeling badly or have been irregular about my meals, I always take a Ripans and, as a result, I constantly enjoy the best of health."

A new style packet containing TEN RIPANS TABULES in a paper carton (without glass) is now for sale at some drug stores—FOR FIVE CENTS. This low-priced sort is intended for the poor and the economical. One dozen of the five-cent cartons (120 tabules) can be had by mail by sending forty-eight cents to the RIPANS CHEMICAL COMPANY, No. 10 Spruce Street, New York—or a single carton (TEN TABULES) will be sent for five cents.

"Do you think public confidence is increasing, Mrs. Badgeley?" "You better believe it; the day after the election my daughter had three offers of marriage."

Of International Reputation.

The originator of the widely-published phrase, "The Only Dentifrice of International Reputation" is Mme. Bernhardt, who wrote of her long-time experiences with Sozodont as follows:

NEW YORK, 20 February, 1896.
MESSRS. HALL & RUCKEL,
Proprietors of Sozodont.

Gentlemen:—In reply to your favor: I regard your Sozodont as most delightful and indispensable in the care of the teeth—the only dentifrice of international reputation.

Yours truly,
SARAH BERNHARDT,

Well-informed people agree that our severe climate imposes the necessity of a stimulant upon a large majority of the people; and it has been established beyond all doubt that there is no stimulant so well adapted to this climate as an absolutely pure whiskey. Roxbury Rye Whiskey is absolutely pure and sold in its natural condition. The Government stamp is a Government guarantee.
